BELTS WITH TEAR-OFF PACK CLOSURE

La cinghia in eccedenza può essere girata su se stessa e fissata tramite l'apposita chiusura a strappo.

The excess strap can be turned on itself and secured with the strap loop.

L'excédent de sangle peut être retourné sur lui-même et fixé avec la boucle de sangle.

Der überschüssige Gurt kann aufgerollt und mit der Gurtschleife gesichert werden.

O excesso de alça pode ser ligado e preso com presilha da alça.

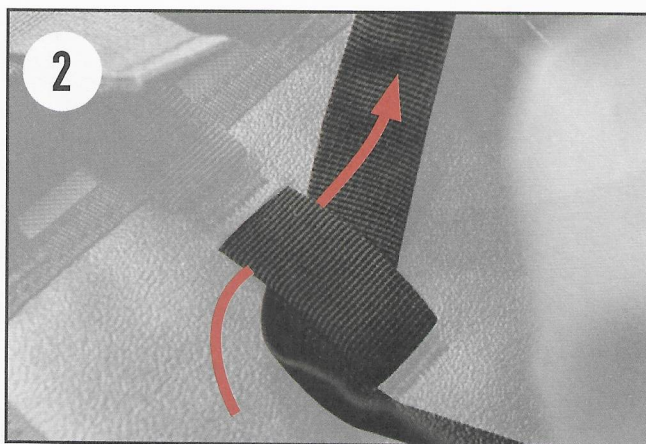

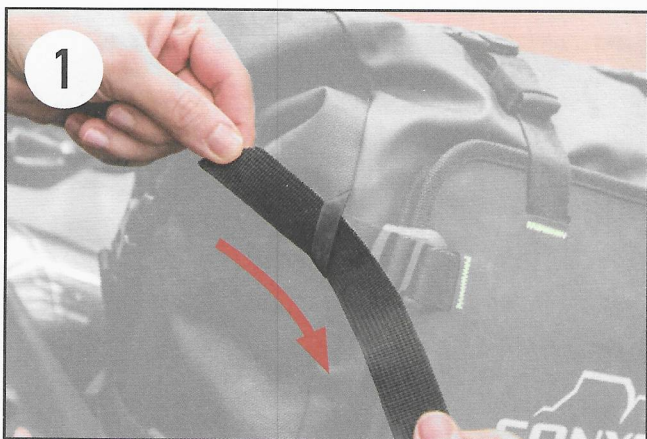

La correa sobrante puede ser girada sobre sí misma y fijada en la hebilla de la correa.
